# 17th RADIO ASTRONOMY WINTER SCHOOL 2024

(for 2nd and 3rd-year of B.Sc./B.S./  
integrated M.S./ integrated M.Sc./B.E./  
B.Tech. students & teachers in higher education)

The 17th Radio Astronomy Winter School (RAWS-2024), a joint initiative of IUCAA and NCRA-TIFR, will be organized at IUCAA and NCRA-TIFR campuses in Pune, between 14 – 24 December 2024.

The participants will be introduced to radio astronomy science and techniques through a series of lectures, demonstrations, and experiments. Participants will work together in teams on activities and interact closely with resource persons.

The school will accommodate nearly equal numbers of students and faculty/educators in higher education. College/University faculty, postdoctoral fellows, research scholars, & tutors/demonstrators, interested in introducing radio astronomy in undergraduate/post-graduate teaching or research are encouraged to apply.

Last date for registration:  
**23<sup>rd</sup> September, 2024**

Duration of the winter school:  
**14 – 24 December, 2024**
