

International conference on

Galaxy Evolution and Dynamical Structures (GEDS-II)

Venue: IIT Indore, India

Date : 8–10 December 2026

SOC Members

- Soumavo Ghosh (Co-Chair, IIT-Indore, India)
- Kanak Saha (Co-Chair, IUCAA, India)
- Abhirup Datta (IIT-Indore, India)
- Annalisa Pillepich (MPIA, Germany)
- Ariana Cortesi (Univ. Rio de Janeiro, Brazil)
- Bruce Elmegreen (NY, USA)
- Francoise Combes (Paris Observatory-PSL, France)
- Victor P. Debattista (Univ. Central Lancashire, UK)
- Virginia Cuomo (Univ. La Serena, Chile)

Key Topics

- Growth of bulges and nuclear disks
- Disk formation & evolution
- Spirals & bar formation, evolution
- Milky Way's chemo-dynamical evolution
- Impact of galaxy mergers
- Vertical structure of galaxies
- HI kinematic in galaxies
- Dark matter halo & galaxy dynamics

IMPORTANT DATES:

Abstract Submission Opens: 8 Jul 2026

Abstract Submission Deadline: 15 Aug 2026

Abstract Selection Results: 31 Aug 2026

Registration Deadline: 4 Oct 2026
