

PROF. PERAIAH FOUNDATION LECTURE 2023

With an objective to encourage scientific temper and excellence in research done in India, Prof. Peraiah Foundation has instituted a recognition in the form of a Lecture, at intervals of two years. This recognition identifies upcoming researchers within the country who have done outstanding work in the field of Theoretical Astrophysics. Prof. Tirthankar Roy Choudhury, NCRA, TIFR and Dr. Shравan Hanasoge, TIFR, Mumbai were the selected researchers in 2019 and 2021, respectively.

The logistic support for organizing selection of the candidate, and lecture is arranged by the Indian Institute of Astrophysics (IIA), Bengaluru. The recipient receives a cash prize and a citation, which is given away at the lecture organized at IIA, Bengaluru, during which the recipient is required to deliver a technical lecture on the scientific work carried out by the recipient. Travel support (by economy airfare) for the recipient's travel to IIA, Bengaluru, shall be borne by the Foundation and accommodation will be arranged by IIA.

Nominations of the best suited upcoming researchers for Prof. Peraiah Foundation Lecture 2023 are invited from the Theoretical Astrophysicists with outstanding achievements, age up to 50 years as on the nomination date, and working in India. The format for the nomination is :- Name, affiliation, e-mail address, date of birth, academic qualifications, major scientific achievements on which the nomination is based, a brief CV, list of publications, reprints relevant to the recommendation, a very brief citation of relevance, and any other information pertaining to the scientific excellence of the nominee. The letter of nomination with name, designation, and e-mail address of the proposer with date has to be enclosed.

The nominations may be made by heads of institutions, directors of observatories, heads of departments or individual senior scientists world-wide. Each nomination, including all the supporting documents (as a single pdf file), should be sent by e-mail to peraiiahfoundationaward@iiap.res.in, before the deadline of 30th April, 2023.

Prof. Peraiah Foundation is a non-profit organization dedicated to promote and encourage Astrophysics research in general and Theoretical Astrophysics in particular within the country, having an MoU with IIA, Bengaluru for organizing the Prof. Peraiah Foundation lecture.
