## *Anna Mani Gender Equity Lecture Series*

**“Science while Female”**

**Rama Govindarajan, TCIS-TIFR, Hyderabad**

11.00am, Friday, 22 April

Auditorium, NCRA-TIFR, Pune

[This lecture series aims to bring the stories of triumphs of the women scientists in India, despite their trials and tribulations, to the younger generation. The series is named after Anna Mani, one of the pioneers along this road. In this first lecture of the series, Prof. Rama Govindarajan would recount her journey as a scientist as well as a teacher and advisor.]

**Organised by : WGGE-ASI & Women’s Cell, NCRA-TIFR**
