

A New Conceptual Model of 'Diversity': Philosophical Reflections on Exclusion in Academia

Amrita Banerjee is an Assistant Professor of Philosophy at the Department of Humanities and Social Sciences, Indian Institute of Technology Bombay. She received her Ph.D. in Philosophy and the Graduate Certificate in Women's and Gender Studies from the University of Oregon, USA. Bombay. Banerjee specializes in Moral and Political Philosophy, which she approaches from the traditions of Feminist Philosophy and Classical Pragmatism. She pays special attention to marginalized intellectual spaces within Philosophy, and especially work by women philosophers and philosophers of color.
